Subject: RE: Voice mail message - ACRC

Hello Kimberly – thanks for your voice message and email below. I just left you a v-mail back.

Yes, I'm sure that the ACRC board and regular members would be interested in a discussion. I'll be in the office until around 6 or 6:30 PM this afternoon and available most of the day tomorrow in between the usual meetings.

Thanks again for reaching out and I look forward to chatting.

Mark

Subject: Voice mail message

Good afternoon Mark,

I'm writing to follow-up on a voice mail message that I just left for you. In the message, I references EPA's press release and Qs n As on PFAS in pesticide containers, and I wanted to provide the links for your reference and context.

<https://www.epa.gov/newsreleases/epa-takes-action-investigate-pfas-contamination>
<https://www.epa.gov/pesticides/pfas-packaging>

As I mentioned in my message, we'd welcome the opportunity to talk to you and your members on what we've learned so far and answer any questions you may have.

Thank you,
Kimberly
